1. Forwarded under separate cover as Attachment (A) is a report from CAMLET showing a breakdown of the funds which he allegedly paid out from his own pocket for running CAMLET 2's department. You will recall that CAMLET emphasized this point rather strongly during our recent discussions with him as proof that we not only received our money's worth, but that he even sunk his own money into this effort.

2. On the basis of these figures, it appears that the budget for the department was approximately 65,000 to 70,000 DMW per month. Since the KUBARK subsidy averaged about 40,000 DMW per month, we paid slightly less than 2/3 of the expenses incurred by the department.
